My Trip to Qingdao

I spent my holiday with my grandparents after a tiring school year in Qingdao. Swimming at the beach when the weather was fine was my first activity to relax myself.

Besides, having fun in Qingdao Polar Ocean World was the second activity I did. The place reminded me of my sweet childhood. What's more, I bought some gifts for my parents to show my gratitude towards them. I felt Qingdao was quite a beautiful place with fresh air and delicious food.

Qingdao has something for everyone. If I have another chance, I will go there again.

restaurant	Grandma's Home	1. best service 2. ...
radio station	91.8 FM	1. educational stories 2

Last week our school did a survey of the best places in our city. Here are the results.

Among all the movie theaters, Broadway Movie Theater is the best one because of its biggest screens. What's more, people can sit the most comfortably in this movie theater. Grandma's Home is the best restaurant because the service in Grandma's Home is much better than that in any other restaurant in our city. People can try some traditional food there such as mapo tofu, West Lake venigar fish and so on. As for radio station, the best one is 91.8 FM for its educational stories and popular music.

Above are the results of the survey.

同学们，请根据以下内容，写一写 Ann 和 Bunny 这一对可爱的双胞胎姐妹吧！

内容要点：

1. Ann 和 Bunny 一样高，Bunny 比 Ann 外向，但是 Ann 的成绩比 Bunny 好。
2. Ann 和 Bunny 都很健康，因为她们每天都锻炼，一星期要吃四至五次的蔬菜，而且从不吃垃圾食品。
3. 上星期她们和朋友们去三亚(Sanya) 度假，她们在海里游泳，品尝到了美味的海鲜(seafood)，也拍了不少漂亮的照片，还给父母买了一些特殊的礼物。她们在三亚玩得很开心。

注意：

1. 所写内容必须包括所有所给信息，可适当发挥。
2. 字数控制在 80 个左右 (不包括已给单词)

Ann and Bunny are my classmates. They are twin sisters.

Ann is as tall as Bunny but less outgoing than Bunny. Ann is better at study than Bunny. Though they look the same, they are of different characters.

Both Ann and Bunny are healthy, as they exercise every day. Besides, they have vegetables four to five times a week and they never eat junk food in order to stay healthy.

Last week they spent a wonderful time in Sanya with their friends. They swam in the sea and tasted delicious seafood. They not only took hundreds of photos, but also bought several special gifts for their parents. They really enjoyed themselves.
