At the beginning of this term, my PE teacher suggested to me that I should take part in the marathon(马拉松赛跑). I was very surprised ___1___ I was never a good runner. In order to ___2___ me, he said that if I took part in the race, I would get the highest mark for the term's PE class. Therefore, I decided to have a try because I had ___3___ to lose.

I prepared for the race very ___4___. I ran every day in the morning before school. And after school, I practiced running with many other runners on the sports ground. I even had the special diet(饮食) for athletes(运动员). I heard that the special diet could ___5___ me to get good results.

When the ___6___ of the marathon arrived, I was very nervous. ___7___, I got up in the morning, had my breakfast, and listened to some music. Then my father gave me a ___8___ to the sports ground, for the marathon race was going to take place there ___9___ an hour. All my family wished me good luck because they knew how ___10___ this race was for me and how much effort I had put into its preparation.

My competitors looked like athletes. I was ___11___ that I would be last. However, when I started to run, I thought only about the race. As I ___12___ much attention to the race itself, I did not remember when I ___13___ the other runners. Suddenly I realized that I had come first. I was very happy when I ___14___ the race. From the experience, I learn that ___15___ always comes out of hard work.

二

Years ago, I was on a train ride into the city when I noticed a family getting on the train. There were two little girls, their mom, and her friend, all of them with big ____1____. From ____2____ they looked like, they were going to be away for several days. One of the girls sat next to an older gentleman, who started talking with ____3____.

As the train ride went on, the little girl said that they were ____4____ their way to the children's hospital in the city, where her sister Hayley who was badly ill was ____5____ treatment(治疗). Without ____6____ more about it, the man spoke with the girl on and off during the journey.

Towards the ____7____ of the ride, the man started to ____8____ something on a piece of paper. When the train stopped at his station, he walked over to the girl's mom and handed her the paper, which actually was a ____9____, and said, "That's for Hayley." Then he ____10____ the train before the mom could say anything.

As the mom finally realized it was a check, she was very ____11____. Then she quickly looked up, hoping to stop the man ____12____ he disappeared from view, but he was already ____13____.

The moment left a lasting impression on me. It made me know that acts of kindness can make a big ____14____ to someone. It also made me wonder about the man's story and what caused him to do this for ____15____ on a train.
