

八下 完形填空 专项练习

—

An old man pointed at the land filled with weeds(杂草) and asked his students, “Look, what’s growing on the land?” “__1__,” the students answered without thinking twice.

“Tell me, how should you __2__ these?” His students were __3__: this question was too simple. A student first said, “__4__ I have a hoe(锄头), the weeds will be killed off.”

The second student followed, “It would be __5__ to burn them with fire.” The third student argued, “Only __6__ deep can it never be born again.”

After his students finished, the old man stood up and said, “Well, when you go back, you act on your own way and come back here again in one year.”

A year later, his students came, but they were so __7__. Because whatever they did, the weeds were still there, even more somewhere. The students wanted to go to the old man for __8__ very much. __9__, the old man had died, only leaving one book to his students. One paragraph in the book wrote, “__10__ way is impossible to kill all the weeds because they are too strong. The best way is to plant crops(庄稼) on the land. Have you ever thought the mind of people is also __11__ the land?”

This world is colorful and then our hearts would __12__ many wishes for different things in the world. Some of the wishes are “weeds”. Without water and food, they will also grow __13__. So if we don’t keep our eyes open, we will make our __14__ poor. These “weeds” are called “Evil(邪恶)”. Some of the wishes are “crops”. They need planting and taking care of.

The more “crops” there are, the less space the “weeds” __15__; the stronger the “crops” are, the weaker the “weeds” will be. These “crops” are called “Virtue(美德)”.
