B

I have many teachers now and I like them all, but I think I like my English teacher Mary best. Mary is from the UK. But she likes China very much. She thinks China is great. She loves Chinese food. Do you know what she likes for breakfast? Bread and milk? No, she doesn’t. She only has noodles(面条). Hot pot(火锅) is her favorite and she always eats it on Saturday and Sunday.

Mary has a daughter and a son. Her daughter’s name is Ella. Her son’s name is Mike. They are

8 years old. They go to the same school. They like hot pot, too. They are all in Chongqing now.

We have English from Monday to Friday. So Mary is very busy. But she is always nice and happy. All my classmates like her and her classes very much. She always plays English games and sings English songs(歌曲) with us. When we have questions, we like to ask her for help. Now I think I can do well in English because I have the best English teacher.

C

Akane, Canada

I think that having a big family is a really good thing. I come from a small family. I only have one brother. He doesn't want to play with me, so I always like the idea of having a big family, I want to have more brothers and sisters.

Jeyong, South Korea(韩国)

There are six people in my family: my parents, two sisters, a younger brother and me. When we are all together, we have great fun. We talk and eat delicious food together. I'm never lonely. I think big families are better.

Simon, Canada

I think a small family is better. If you are the only child in the family like me, you'll get all your parents' love. They do everything for you. If you live in a family of five children, you have to share(分享) everything with the other four children: your parents' love, your toys and your clothes.

Todd, the USA

I think for children it's better to have a big family because they can do a lot of things together. But for parents, it's better to have a very small family these days, because the life for a big family is very difficult.

23. How many countries do these people come from?
 A. One. B. Two. C. Three. D. Four.
24. Who have the same idea about big families?
 A. Akane and Simon. B. Jeyong and Simon

 C. is from a family of five children D. likes sharing his toys with others

D

Nick is a very clever boy and he can learn everything quickly. He thinks what the teacher teaches in the class isn't useful. It is a Monday morning. As the teacher, Mr Li, walks into the classroom with books in his hands, he hears a low voice, “Here's the teacher. I'm sure this boring person is going to talk about how to use commas(逗号). I know how to use them.”

It is a boy's voice and the teacher knows who he is.

However, the teacher doesn't get angry. He says nothing about it, but really begins to talk about how to use commas. The students listen very carefully. Then he writes the following sentence on the blackboard, “Nick says the teacher is a boring one.”

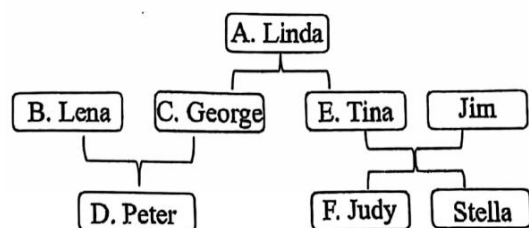

The class laughed and Nick's face turns red.

“Now,” says the teacher, “I'll tell you the importance of commas.” He puts two commas in the sentence, and then reads, “Nick, says the teacher, is a boring one.” All the class laugh again. Nick feels very embarrassed(尴尬) first, and then his face turns much redder. Finally he can't help laughing with the other students too. From then on, Nick begins to study carefully.
