C. To show the big playground. D. To describe the modern computer room.

D

A library is a very good place. Nearly every place has a library, like a city, a town, a school, even a small village. Libraries are here and there in the world.

Our school has a library. It's not big but clean. There are different kinds of newspapers, magazines, dictionaries and CDs in it. The chairs and desks are nice, and the teachers are friendly to students. All the students in our school enjoy reading in the library. There are four small reading rooms in the library. Every room has many books. Some are in Chinese, and others are in English. We can read and do our homework there. We often read with the help of our teachers because some books are too difficult for us. My classmates and I are getting ready to read now. Reading books helps us a lot.

You see, a library is always ▲ because it can open our eyes to the outside world.

27. What's the meaning of the underlined phrase "here and there" in Paragraph 1?
A. 这里 B. 那里 C. 这里和那里 D. 到处; 处处
28. How many reading rooms are there in the school library?
A. Three. B. Four. C. Five. D. Six.

29. Why do the teachers often help with the students' reading?
A. Because there are too many books. B. Because the teachers are friendly.
C. Because some books are too difficult. D. Because the students are busy.
30. Which of the following word can be put in “__▲__”?
A. big B. useful C. interesting D. small
